

Post-Graduation Survey of 2011-2012 graduates

Post-undergraduate STATUS of RESPONDENTS by college

Source: Post-Graduation Report, based on Post-Graduation Survey of all undergraduate degree recipients.
Administered by Career Services at Virginia Tech

All undergraduate degree recipients are surveyed.
Periodic reminders are sent to non-respondents during the more-than-six-month period the survey is open.
Respondents with status still seeking are invited to update status until survey closes.

Seeking includes: seeking employment; plan to seek employment; looking at options of employment & applying to continued education.
Employed includes: long-term service work (2% total univ.) and self-employed or working in family-owned business (2% total univ.)
